MEET THE INTERVIEWEE

- UC Davis student & graduating senior
- Neurobiology, Physiology, and Behavior major
- Has EMT-Basic certification
- Has experience working in clinical setting as intern & volunteer
- Has gained experience working with patients & physicians
- Over the past three years, has gained increasing responsibility in her role within a healthcare-related nonprofit
Job Description - Emergency Medical Technician - Basic Responsibilities:

Emergency Medical Technicians-Basic (EMT-B) respond to emergency calls to provide efficient and immediate care to the critically ill and injured, and to transport the patient to a medical facility.

The EMT-B:
- functions in uncommon situations;
- has a basic understanding of stress response and methods to ensure personal well-being;
- has an understanding of body substance isolation;
- understands basic medical-legal principles;
- functions within the scope of care as defined by state, regional and local regulatory agencies;
- complies with regulations on the handling of the deceased, notifies authorities and arranges for protection of property and evidence at the scene.
Duties include but are not limited to:
- reassuring patients and bystanders by working in a confident, efficient manner.
- avoiding mishandling and undue haste while working expeditiously to accomplish the task.

The EMT-B uses the knowledge of the condition of the patient and the extent of injuries and the relative locations and staffing of emergency hospital facilities to determine the most appropriate facility to which the patient will be transported, unless otherwise directed by medical direction.

The EMT-B:
- constantly assesses the patient enroute to the emergency facility, administers additional care as indicated or directed by medical control,
- assists in lifting and carrying the patient out of the ambulance and into the receiving medical facility
- reports verbally and in writing, their observation and emergency medical care of the patient at the emergency scene and in transit, to the receiving medical facility staff for purposes of records and diagnostics
- upon request provides assistance to the receiving medical facility staff.
